Hi Claude, Richard and Peter

Happy 2021 – I hope you're having a good start to the year!

Just a quick update. Our team is fully back from leave and have started the data cleansing process for the two bank accounts. As previously outlined, we will be using the PDF bank statements as the source of truth.

As Madara has finished with us, Sasha will be taking over the project. Sasha was performing the quality assurance / review role for the previous 2 bank accounts so she is familiar with the analysis and the reporting.

We will provide a further update next week using our usual weekly reporting template.

If you have any questions, please let me know.

Thank you!

Kind regards
Katherine
