I refer to your letter dated 13 July 2017, regarding Crown's employees in China.

As requested, details of the Casino Special Employee Licence Holders released to date (12 July 2017) are:

Name	Licence Number	Sentence
Jerry Xuan	[REDACTED]	9 months imprisonment

Further, the following Casino Special Employee Licence Holders are expected to be released in mid-August:

At this point in time, Crown's principal focus is the welfare of its employees. No decisions have yet been taken in relation to their future employment, but we will advise the VCGLR well in advance of any plans for any of them to return to work.

We expect to be in a position to write further to you in relation to their convictions once they have all been released.

Please let me know if you have any queries or concerns.

Yours sincerely
