This is not an issue. All the letter does is clarify the commissions expectations.
 Don't worry about it at all!

Alex,

Sorry to bother you, but I just thought I would let you know that I got a call from Michelle this morning responding pretty aggressively to the letter below.

Primarily she was of the view, as expected, that I, and the tone of the letter, misrepresented Crown and they'did not say they would not seek input from AUSTRAC, amongst other concerns.

Because she said Josh was 'furious' and would most probably 'call the Minister', I have just briefed Catherine on the matter noting my concerns and that I stand by the risk that was presented to the Commission and the response to Crown.

Catherine did not appear to have any concerns with the letter and would be happy to speak to Josh, Michelle or the Minister to clarify the position taken by us.

Sorry again to both you, but thought you should know just in case!
