1. To be eligible to win, members must be playing with their own Crown Rewards card correctly inserted into any participating gaming machine in The Mahogany Room when the jackpot hits. The member pool (from which a member is randomly selected at jackpot time) will consist of all members that play any participating gaming machine with their membership card inserted prior to a winning jackpot hit between 6am and winning jackpot hit (including where there is no winner and the jackpot rolls over). If the player selected is not present and actively playing with their membership card inserted at jackpot time, the prize pool rolls over to the next jackpot hit. In the event the jackpot is won by a member using a membership card other than their own, the prize will be forfeited. On the final jackpot hit of each night of the promotion (10.30pm), if the selected member is not present and actively playing with their membership card inserted, another member will be selected from the pool and this will continue until a selected member is found and wins the jackpot. Maximum 1 prize won per night. Once a jackpot is won, all subsequent jackpot hits for that Day will cease. Upon each winning jackpot hit the member pool is reset and will re-commence adding patrons until the next corresponding scheduled hit time(s) the following week. Prizes will be in the form of a prize certificate that can be redeemed for cash, chips or a cheque, at the winner's election. Subject to Crown Rewards rules.
