Dear Mr Craigie

I refer to your facsimile dated 7 September 2001 in which you included two draft pro-forma letters dated 10 September 2001 to be sent to Crown Club members advising of "Bonus Pokie Credits Offer". I have reviewed the two letters and I am satisfied that they do not breach *the Gaming Machine Control (Advertising) Regulations 2001*. I have formed that view on the basis that they do not involve items that may be exchanged, for credits as required by the definition of "inducement" in the Regulations.

I attach to this letter copies of those two letters. My advice relates only to letters that follow the precise text of either of the attached letters. Should you wish to modify either of these letters, you may wish to seek my view again.

I understand that the particular jackpot configuration modification changes will be assessed separately and you will be advised by the Assistant Director, Gambling Operations and Audit of the decision with respect to your request for this modification.
