Hi Beau,

Fr James' contract is a rolling 12 month expiry 1 April each year. Attached please find the original contract and letters of variation. Other than the variations, I have no further changes unless anything has changed in contract law since 2009.

Would it be best to update the contract with the variation letter changes?

With kind regards,
Sonja

Hi Beau,

Another variation to Fr James' contract ... I have used the letter you approved last time ... you ok with this?

With kind regards,
