TOURNAMENT DIRECTOR'S WELCOME

On behalf of all of us here at Crown Melbourne, and particularly the Crown Poker Operations Team, it is my absolute pleasure to officially welcome you to the 2019 Aussie Millions Poker Championship. The 2019 Championship Schedule has been a "work in progress" immediately following the conclusion of the 2018 Aussie Millions, and we're confident that the finished product will not only excite and tempt players of all experience levels and bankrolls, but will also ensure that there truly is "something for everyone".

The 2019 Schedule now contains 27 Official Championship events with the introduction of a \$25K Pot Limit Omaha due to overwhelming patron demand. Many "old favourites" return, while some new ideas enter the big stage.

The Opening Event again features a \$1million Prizepool Guarantee – a Guarantee that has been consistently smashed in recent times with 2017 and 2018 prizepools exceeding the \$1.5million mark. Now featuring FIVE Opening Flights, expect this figure to soar to new heights in 2019.

The "Big Blind Ante" concept has been adopted across numerous Events, with eight Championship Events now featuring this new initiative. In addition, friendlier dinner breaks and end-of-play finish times; simpler satellite scheduling and less "cross complex" moves remain a focus as we look to 2019, and we are confident that the end result will ensure players have optimum conditions from start to finish.

Another promise from the team is to continue to provide some of the largest number of Main Event Satellite qualifiers seen the world over. Despite again "standing alone" from an online partner, 2018 saw us generate an unprecedented number of Main Event qualifiers, with 422 Main Event seats generated through local in-room Satellites. With the introduction of the "Aussie Millions Satellite Spectacular" prior to the Opening Event (featuring three "10 Seat Guarantee" Satellites over three days), we're confident of eclipsing last year's Satellite numbers. The Aussie Millions Satellite campaign has grown into an "all-year-round" project and with 2019 Main Event seats secured as early as just five weeks post-2018 Aussie Millions, our Satellite campaign remains one of our top priorities.

Should the cards not fall your way, remember that there are endless amounts of activities and attractions

around the Crown complex throughout January to keep you more than occupied. From world-class dining experiences at Rockpool, Nobu or Dinner by Heston, through to the luxury that Crown's three multi award-winning Hotels have to offer, Crown Melbourne truly lives up to its reputation as the "World of Entertainment".

When the desire to stretch your legs takes hold, please be sure to explore Melbourne fully. Melbourne has an endless supply of music festivals, sporting events, markets and musicals – all of which are particularly prominent throughout January. See our Host Team should you require bookings or further information. Last but not least, don't forget that the Australian Tennis Open (held at Rod Laver Arena) is just a 20-minute walk from the Crown complex. The Southern Hemisphere's only Grand Slam attracts the world's elite year after year.

The entire Crown Poker Room and Poker Operations Team remain committed to providing a Championship Event that ranks amongst the world's best, and we're certain that the 2019 Aussie Millions will exceed your expectations in every way possible – I wish the very best of luck to all involved.

ARE YOU GAME?

Tournament Director – Crown Melbourne

2018 WINNER TOBY LEWIS

The winner of the largest ever Aussie Millions Main Event in history, Toby Lewis, claimed the 2018 title along with A\$1,800,000 in prize money and a custom made diamond-encrusted gold bracelet by ANTON Jewellery. The win saw Lewis soar up his country's all-time money rankings with over US\$4,000,000 in lifetime earnings. A regular on the poker scene, his previous biggest score came back in 2010 when he won EPT Vilamoura. Since then, he has posted final table finishes at several EPT and WPT events, most recently placing fourth at PCA in 2016 for US\$267,340. However, this result must eclipse all of them and stands as the biggest title of his poker career. "The last time I won a big tournament was seven and a half years ago," said Lewis after his win. "I've played a lot of poker in that time, with lots of fourth and fifth places over the years. So once I got

a big stack in this one, it seemed like a great spot to go on and win!" "Melbourne is my favourite city in the world, and I haven't been in five years because of other commitments! I definitely should have come back sooner, because this is my favourite tournament in the world!" With the chip lead, Lewis cut a deal three-handed between eventual runner-up Stefan Huber and third-place finisher Espen Solaas, meaning the Englishman walked away with A\$1,458,198, with Huber and Solaas receiving A\$909,699 and A\$1,177,103 respectively. After the deal, the final three continued playing for the title, ANTON Jewellery bracelet and an additional A\$75,000 in prize money for first. It didn't take long for Lewis to emerge triumphant - add his name to the likes of Gus Hansen, Ami Barer and Ari Engel on the long and illustrious list of Aussie Millions Champions.

2018 AUSSIE MILLIONS RECAP

The prestigious AUD\$10,600 'Main Event' kicked off on Sunday 28th January - crowning UK pro Toby Lewis just 8 days later. The Heads Up action played out in front of millions worldwide; in the Crown Poker Room and via the Twitch.tv Live Stream, broadcast exclusively for Crown by the world's most successful poker streamer Jason Somerville. The 'Main Event' runner-up was Zurich-based pro Stefan Huber. Huber is well known within the poker community for his charitable work - co-founding REG.org (Raising for Effective Giving), which received part of his Aussie Millions winnings. Despite the defeat, Huber can take great pride in overcoming all but one of the 800 players who began the pursuit of every poker player's greatest dream.
