Dear Mr Barton

Sixth Casino Review Recommendation 20

I refer to recommendation 20 of the Sixth Casino Review (Sixth Review) which required a meeting (recommendation 20 meeting) between the Commissioners of the Victorian Commission for Gambling and Liquor Regulation (Commission) and directors of the Crown Resorts board to review the implementation of the recommendations set out in the Sixth Review.

Although this meeting was scheduled for 10 February 2021, at its meeting on 28 January 2021, the Commission determined that this meeting is no longer required. This decision was based on a number of factors including that the Commission has considered the implementation of all recommendations of the Sixth Review to date. Further to this, commencement of the Seventh Casino Review has been brought forward and will include a review of Crown Melbourne's implementation of the Sixth Review recommendations. I note also that Commissioners met with the Directors of Crown Resorts in October and December 2020 which included discussion of matters related to various recommendations.

Should you wish to discuss this matter, please contact Alex Fitzpatrick, Director Licensing, on (03) 9098 5215.
