Dear Mr Harris

Sixth Review of the Casino Operator and Licence (Sixth Review) - Recommendation 12 Quarterly Update

I refer to Recommendation 12 of the Sixth Review, which provides:

'The VCGLR recommends that, by 1 July 2019, Crown Melbourne expand facial recognition technology to cameras on all entrances to the casino and that Crown Melbourne provide written updates on a quarterly basis on its effectiveness to the VCGLR.'

See attached the Quarterly Update for the January to March 2020 quarter. By way of overview, we note that of the 729 breaches/attempted breaches detected during the quarter (committed by 509 unique persons), Neoface identified 575 of the instances or over 78% of all detections.

Please note that Crown closed to the public on 23 March 2020 as a result of the Corona Virus. Please let me know if you have any queries or concerns.

Yours sincerely
