Good morning Group Exec,

Attached are:

- the final version of the Board paper and pack in respect of the FC&C Assessment and Change Program; and
 - the final version of the Responsible Gaming Enhancement paper and appendices;
- both of which were endorsed by the Board of Crown Resorts Limited yesterday. Noting that the FC&C paper was endorsed by the CRL Board, it applies to all three reporting entities without requiring approval from the subsidiary Boards. I'll be setting up a brief meeting next week with all of you to discuss the plans and any questions you may have. Until that meeting, please don't share these materials.

Kind regards,

Steve
