Thanks Steve

One thing just to allude to, to be consistent with ILGA

In NSW , Crown will work with regulators / State government authorities towards cashless gaming alternatives.

Our ASX release clarifies

Many thanks
H

Kind Regards, Helen

Hi Helen,

In support of what Guy, Andrew and Pete will pull together, attached is the paper (and appendices) that I intend to present to the Board on Monday (24 May). It contains a number of recommendations for your consideration. This would be in addition to what the team is working on providing regarding the submissions. Any questions at all, please don't hesitate to ask.

Kind regards,
Steve
