Hello Cage,

Please be advised patron's Bank Cheque for \$100K has been dishonoured "Failure of Consideration for the Issue of a Bank Cheque". This means the bank has not received the funds the bank cheque was issued on. ANZ are following up on more information into the circumstances of the dishonour. SYCO comments have been updated.

Hello Service Managers/Elliot,

Can you please follow up payment with patron?

Thank you.

Regards,

**TRENT TERNES**
