Subject: EGM Revenue Calculation [CM-COMP.FID7535]

1. As indicated, 'Bonus Jackpots' have historically been treated as a deductible for the purpose of the Gross Gaming Revenue Calculation.
2. This has been done with the knowledge and assent of the VCGLR. The Internal Control Statement provides that 'Revenue shall equal Turnover less Game Wins less Jackpot Startouts less Variable Prize Jackpot Increments less Fixed Prize Jackpot Increments less Bonus Jackpots.'

Regards
