Hi all

Please note that Edwin and I have discussed with Jose who is able to source the information more readily than Edwin.

He indicated that he will have something by mid week, much quicker than it would take Edwin's team to provide.

Upon receipt of the information we will do some spot checks for accuracy and reasonableness.

Kind regards

Matt, Edwin, thanks for your time today.

As a follow up, can you please complete a schedule of the Bonus Jackpot elements since the commencement of the other elements outside of Welcome Back from July 2012.

Specifically we are looking for the monthly and yearly totals for the Food Program, Hotels and Parking. As I understand it, F&B was launched in July 2012, Parking in August 2013 and Hotels in September 2013.

Please also include the other elements of Bonus Jackpots in the schedule too, if it is easy to do so assuming you have to go through the data month by month.

I understand this may take some time, but please make this a priority as appropriate.

Thanks for your help with this.

Let me know if you have any queries.

Thanks

Alan McGregor
