

Royal Commission into the Casino Operator and Licence**STATEMENT OF ANDREW MAHER**

Name: Andrew Maher
Address: Level 37, 101 Collins Street, MELBOURNE VIC 3000
Occupation: Partner, Allens
Date: 25 June 2021

1. On 22 June 2021, I gave evidence to the effect that I was not aware of anyone at Crown having raised the bonus jackpots tax issue with anyone at Allens between 18 March and 7 June 2021 (when Mr Mackay gave his evidence): T2339.36-47, T-2349,.15-24.
2. That evidence reflected my understanding at that time and was informed by enquiries that I had made within Allens in the days leading up to me giving my evidence.
3. I have since been informed by my Allens colleague, John Yiannakou, that he recalls that Jan Williamson and Rob Meade, of Crown, followed up Allens' consideration of the bonus jackpots tax issue for inclusion in Crown's response to RFI-002 with him and another Allens colleague, Matthew McCarthy, during a conference call on an unknown date in April 2021.
