Ok

Don't forget to let the sales team know once it's in place, but be careful what you say. Just say something like "customers can now use their CUP cards in Perth in the same way as Melbourne".

Maybe also identify someone in Neil's team to be responsible for making sure everyone there knows how to do it.

quick update on CC transactions at Perth

There is a final meeting with finance, legal etc this afternoon – should get final approval and therefore be rolled out tomorrow or over weekend at latest.
