#### Summary

CHEQUE CASHING – Domestic VIPs (29 Jan 2018)

From information supplied in a conversation with Neil Bull.

1. A domestic VIP will be granted funds immediately a Crown Counter Cheque is generated on the patron's nominated bank account.
2. The Counter Cheque must be presented five days after it is raised unless it is redeemed by the patron within the five-day period.
3. After the cheque is generated, the patron may access funds to purchase chips.
4. To facilitate this process, a chip purchase voucher is generated for all or a portion of the available funds.
5. The chip purchase voucher is presented at a gaming table and is exchanged for chips.
6. The chip purchase voucher is deposited into the drop box awaiting collection and counting in the count room.
